Chapter 1: Babryath

Kawanaka Yasushi

■ At the time, I wouldn't believe what feeling was going to be like...

Ariyama Miku (17)

You're a high school student and you need to start growing up!

Akryama Miku (20)

Etche, but I love them!

Were you staying up late playing another game? I told you many times already, but you should stop doing that.

She's sleeping in tomorrow 'mor' 'morn' 'morn'.

Akryama-

Breakfast is almost done.

I don't care if it's a great game, hurry up and get ready!

They are the cubes for the game, "Omigod!"

Let's  
see...

It seems  
kinda  
pathetic  
to play  
this early  
in the  
game  
shop

Really,  
we are a  
stupid  
gamer  
family

ガキ

You go  
here...

And like  
this?

Who'd be  
expected  
of our  
daughter!

CLEAR

+ 500 exp

I'm done!  
I graduated  
from gaming  
a long time  
ago

Something  
wrong  
Mika-  
chan?

ZZZ

That's not it he's just a friend

Oh it's the groom

Oh your Kuu-don is here

Matsuzaka says to "Miki" who is someone that is to marry the girl's oldest daughter of a family to ensure it stays strong it

Hey, Miki  
Let's walk  
to school  
together  
today!

Miki, when  
you return  
play Gintama  
Gao with me!  
Today, I will  
and

Matsuzaka Kenta (17)

G-Good  
morning  
Dad!

Sure  
sure.

Recently there have been some mysterious disappearances. We all should look out for each other.

I love  
joining  
Papa and I  
always play  
together and we  
like to delete  
our progress  
and show our  
true power.

Although  
sometimes  
I am a  
blunder.

Oh  
are  
are...

Kikuchi-san  
from my  
class...  
She has  
disappeared!

What  
is she  
doing?

A pocket  
game?

What's  
that?

Ah,  
how  
nostalgic!

This  
is the  
'Bomber  
Clap'  
pocket  
game!

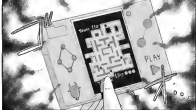

You have  
to cut the  
fuse of the  
bomb soldier  
or the map  
will explode!

This is  
a well made  
game.  
*Mahoukiki!*

Let us  
all talk  
about it  
in that  
building  
ear-  
lier!

Please  
calm  
down  
every-  
one!

Is it me,  
or was  
that  
building  
not there  
just a  
moment  
ago?

Let's  
go  
surprisy

I  
guess

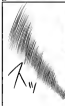

Ha  
ha  
ha  
!!!

Eek!!

Uwaaa  
aaaaa  
aaah!

It's useless  
It really  
is locked

Now  
the  
game  
starts...

Stop playing games and get to work!

I will not be serving you! You will address me as "coach"!

Can I play?

Hell no!

I picked up this game from the human world, it was popular with humans in the old days

That's it! I'll use humans to play this game! He surely wouldn't be angry with that!

Hurting humans is important but so is this game...

Whatever the case, just go hunting...

This is a brilliant idea...

Now  
your  
character  
Hurry  
up and  
start!

Dumbass  
Shoot  
him at a  
decent  
range!

It  
wasn't

They  
did  
it...

We  
did  
it  
together!

Yay!  
You  
did  
it!
